Passport Newsletter

Hello!

Welcome to our Fall 2023 Newsletter

The Passport Program continues to grow. Currently there are 4751 Passport recipients.

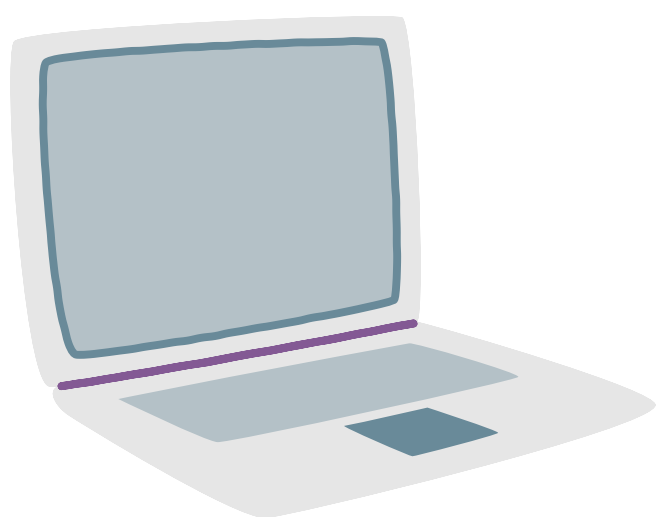

We are approaching the time of year when dog days of summer transition to changing autumn leaves and bountiful harvests. Change is happening in the Passport Program as well. We have been busy planning events to help you learn more about resources available in your community by hosting 2 Agency Information Fairs in October.

Also, we are going to be in various parts of the HKPR and Durham areas this fall to be available to meet with those wanting to learn more about invoicing and Passport-eligible expenses. These sessions will be in the form of Community Kiosk Days. Read on for more information!
